Keyword Text post Fake This is the start of the military enforcement of a 'vaccine' !!!!!! Hitler would be proud of this chump Trump. Unless you stand up against this, you can kiss goodbye to all your Evidence freedoms. Such as they are. I for one will fight to the death. Fraud Revolution now! We all need to wake up and see this lockdown for what it really is bullying by the state to make us fear a fake virus. Before you all tell me that your dad Censor has died or your sister got ill, I'm sure those things did happen. But this virus was launched deliberately to cause mass panic. So that the sheep amongst you clamour for a vaccine. They will tattoo you once you have accepted the vaccine so they can identify who is a white sheep and who is a black sheep. People who have been vaccinated (white sheep) will be allowed to partake in the New World Order's fascist state. Anyone who doesn't comply (black sheep), including me, will have all access to that state removed. No bank card, no driving licence, no passport, no right to work and we'll be on several lists. I'd rather live off grid on a list than incarcerated in a fascist prison planet for ever enslaved, monitored and controlled. I imagine that the main aim is the GENOCIDE of ""about a billion"" people in the 3rd world. As with coronavirus, the goal is to reduce the world's population. To make it more comfortable for the rest of us. I work as a deliveroo rider and every night, I witness ambulances driving down empty streets but ALWAYS with sirens blaring. For no reason other than to alert us that someone has died of coronavirus. Its a PR exercise that the ambulance drivers have been forced to take part in. This is what Fascism looks like in the 21st Century. This is Serious. #tyranny #fascism #enforcedvaccination #fakevirus #wakeup #thisisreal #newworldorder #offgrid #runforcover #revolution #freedom #overthrowfascism #riseoffascism #vaccine #runforthehills #useyourownmind #whatdoyouthink #revolution #revolutionnow

Revelations 13:16-17

"He causes all, both small and great, both rich and poor, both free and slave, to receive a mark on their right hand or on their forehead, so that no one may buy or sell, except he who has the mark or the name of the beast or the number of his name."

Some suggest this to be a tattooed barcode or symbol—either easily seen or visible under ultra-violet light. Others suggest that implanted computer chips or other technology might be part of this mark."
